

COMMUNITY MEMBERSHIP

Whether your interest in our club membership is intended to afford you leisure time with friends, the enjoyment of rounds of golf, the opportunity to learn the sport or an impressive setting for entertaining friends and business associates, you will find the environment at Sapele Hammock Golf Club to be both friendly and flexible enough to satisfy all of your needs.

Community Memberships are available to all regardless of place of residence.

YOUR CLUB, YEAR-ROUND

A Sapelo Hammock Community Membership comes with a number of benefits and privileges, including 4 rounds of golf annually, exclusive options for rental of the clubhouse for events and rental of the Eagles Nest apartment above the clubhouse. Best of all is the joy of making new friends who enjoy this coastal paradise as much as you!

Community Members enjoy all club social gatherings along with off-site member outings. Community Members may convert to a Golf Membership at any time by paying the balance between the original fee and the current Golf Membership fee.

SAMPLING OF SOCIAL EVENTS

Each year the Marketing Committee puts together a schedule of fun and exciting events that are sure to appeal to every member. Monthly dinners are held with different themes and are hosted by different members. Each one includes food prepared by members or catered along with cash bar and friendly fellowship. Some of our dinner themes include Chili Cook-off, Valentine's Dinner, Holiday Celebrations, Bring-Your-Own-Steak Night, and other similar events.

First Friday Social Hours are held each month and include drink specials, light food offerings, cash bar, games and entertainment.

If you are just moving into our community or have lived here forever but have never been involved with the Golf Club, a Community Membership is a great way to get to know your neighbors. You can always find exciting things happening at Sapelo Hammock Golf Club!
