

Pavilion overlooking scenic view at Sapelo Hammock dedicated in memory of Martin NeSmith

This pavilion, located between the greens of the ninth and 18th holes at Sapelo Hammock Golf Club was dedicated in memory of Martin NeSmith for his many contributions to the club and to the community. Michael Hardy, left, and State Representatives Buddy DeLoach and Alan Powell, were speakers at the dedication. Nesmith passed away last November.

Suzette NeSmith, widow of Martin NeSmith, center, and family members thank the many friends who gathered for the dedication and those who contributed to the construction of the pavilion and the support they have given her family during the loss of her husband.

and main... other, more speakers at the dedication. (Caption partially obscured)

Martin NeSmith loved the beauty of McIntosh County. In memory of NeSmith, who passed away on Nov. 17, 2020, many joined together to build a pavilion overlooking the pristine marsh views near the clubhouse at Sapelo Hammock Golf Club. It was dedicated on May 14, with a resolution presented by State Representatives Buddy DeLoach of Shellman Bluff and Alan Powell of Hartwell.

In 2012, NeSmith was an integral part of organizing a group

of investors to buy Sapelo Hammock Golf Course that had been closed. In 2017, when NeSmith was the Grand Marshal of the Shellman Bluff St. Patrick's Day Parade, this is what he had to say about that very special place where the pavilion is located, "I would say the setting of Sapelo Hammock is one of the prettiest on the coast, including Sea Island and St. Simons Island. The scenery is so beautiful right here on the marsh. Every time we come down the ninth fairway, I always look out and say how blessed we are to live in a place like this."

At the dedication, Michael Hardy stated, "Martin's and his wife, Suzette's, love for Sapelo Hammock Golf Club was demonstrated in many ways: by their leadership; being great ambassadors; stock purchase; hosting tournaments; special project funding for carts; cart path enhancements; and course beautification; to

mention a few. Suzette thanked Martin's enthusiasm, kindness, generosity, smile and love of everyone was contagious."
