There's Something Special

About Sapelo

Sapelo Hammock Golf Club covers 171 acres, a beautiful venue winding through neighborhoods of Coopers Point and Sutherland Bluff , and runs adjacent to The Hammocks at Sapelo Condominiums. Sapelo Hammock is a public golf course but is owned by the families that make up Shellman Bluff Acquisition, LLC.

Today, Sapelo Hammock is a treasure of the Georgia coast and is praised as being one of the finest golf courses on the Southeastern seaboard. Besides being an outstanding recreational destination, it is an integral part of the community in that it serves all residents in so many other ways. The club is very much tied into the local economy and brings in visitors from far and wide.
